

By Phat

Let's talk about the weather. Most everybody else is . . . But don't get the wrong impression. This isn't it . . . It's just a preview and there will be some delightful weather in the next few weeks before summer really gets down to business in a workman-like manner. . . . That is, unless 1947 crosses me up and doesn't follow the accepted pattern of previous years.

SEEMS like summer likes to go into spring training and picks mid-April as the period in which to feel its muscle . . . And, then, confident it is in shape to do its stuff later, sits back and waits for its cue . . . And that's where we come in . . . During that lull, it's May . . . I've only been here five years so am still practically a tenderfoot compared to some of the others . . . But those who were here when I came back in 1942 and who are still here, say it has always been so . . . Mrs. Nellie N. Coffman, who has probably had more acquaintance with Palm Springs weather than any one else here now, has always been quoted as saying that May is the best month here . . . So, relax.

ON THE OTHER HAND, a long time resident of Palm Springs stopped me on the drive yesterday and exclaimed: "This is OUR weather. It's what the Villagers like, isn't it?" and we went blithely, and I forgot all about the 105 . . . Before the war sort of interrupted things. May used to be a sort of festival month . . . Get together by Villagers and others smart enough to stay on . . . There were festivals, out-door dances on the tennis courts at the Desert Inn, swimming parties, rides into cool canyons . . . a sort of let down after a big, busy season.

UNDERSTAND there's a movement on foot to make May, 1948, a festival month . . . It's too late for 1947 although there'll be plenty to do here next month. But, in 1948, as I get it, there'll be a round of events of all sorts for Villagers and visitors still with us . . . Naturally, all of the affairs will be out-door parties, dances, swimming, barbecues, entertainment and so on . . . a fitting climax to end a celebration of the end of another good season . . . Don't mind this April flare-up, May's still ahead.

STILL HARPING on the sunshine . . . Heard a fellow say it was hot enough to fry an egg on the sidewalk . . . Don't believe him . . . That doesn't come until July or August — and besides a lot of people like their eggs scrambled . . . But I'm still hopeful of trying out my experiment of putting popcorn kernels on the walk and see if they'll pop . . . If they did, it would give the illusion of snow and a sharp photographer could really go places with a picture like that—snow in Palm Springs in August.

THE MAIL this week was disappointing — not a mention of benches . . . Perhaps all of the tired people have gone home . . . Johnny Pagoria, my Chicago agent, reports that Rudy Vallee, here most of the winter, is doing all right by us in the midwest. Vallee recently opened at the Copacabana in Chicago . . . According to Pagoria, Vallee went over big and in response to a demand that he say a few words, said: "It gives me great pleasure to work in this beautiful night club. The only comparison I know of in beauty is our own Palm Springs Tennis club—ah—there is a BEAUTIFUL CLUB."

THE CIRCUS is over but the echo lingers on . . . Villagers and visitors alike, and there were thousands of them, saw the spectacle and applauded . . . But possibly not a one of them thought of the tremendous work that went into making it the success it was. Parades aren't like Topsy . . . They don't just grow . . . They have to be planned, every float and band spotted just so . . . And to Phil Delano, president of the Chamber of Commerce and chairman of the parade committee goes the credit for that careful planning which made the parade the success it was . . . And Harold Murphy of the Palm Springs Music company, wants a word of praise for the Huntington Park Junior band which he brought up here for the parade . . . They really made music.

SEEMS TO ME there are a lot of people in this town named "Anonymous" . . . I'm always getting letters from them and in different hand-writing, so it's not the same guy . . . Funny thing, most people with that name have an axe to grind and want me to bawl somebody out . . . Nine out of ten of 'em go into the waste basket . . . When a man writes a libelous letter about a fellow Villager and winds up with "bet you don't dare print this" and then doesn't sign his name, it's just another item for the waste disposal gentleman to take care of. One letter from the group gets in, however, today . . . "This certainly isn't a hick town," it sets forth. "A hick town is one where there's no place to go that you shouldn't."

HOPE TO SEE YOU here all through May.

Memorial Building by Fall, is Plan

Owen B. Coffman
Post Votes To Go
Ahead With Program

Erection of the Wars Memorial building, a goal toward which the Owen Coffman Post of the American Legion has been striving for many years, loomed as a possibility this summer, following action of the membership of that organization at a regular meeting Tuesday night.

With approximately \$30,000 in its building fund, members voted to borrow an additional \$30,000 thereby insuring the construction of a \$60,000 edifice on the Legion's building site at North Belardo Road, opposite the O'Donnell golf course.

IT IS THE HOPE of the Coffman Post to dedicate the opening of the Wars Memorial building on Armistice Day November 11 of this year.

Plans call for an auditorium which will seat between three and four hundred people; a kitchen capable of feeding that many persons; a lady's auxiliary room upstairs; men's lounge and other refinements.

Original goal of the Legion was for the construction of a \$75,000 building but the difficulty in raising this amount grew harder and harder until finally the building committee suggested that the \$60,000 building be erected.

WHEN THIS was suggested at the meeting of the membership at the meeting on Tuesday night, considerable discussion evolved and the figure of \$60,000 as the maximum cost was decided upon.

The building committee consists of John Holditch, chairman, C. V. Knupp, Harold Lienau, Joe Omlin and Al Hoover. Commander Jerry Sanborn is acting on the committee in an ex-officio capacity.

During the course of the meeting the nominating committee submitted to the membership its nominees for the ensuing year's officers of the Coffman Post. They were: John Connell, first vice-commander; Jay Morrison, second vice-commander; Fred Strombon, chaplain; and Emil Knorr, historian. For executive committee the following names were suggested: Jack Holditch, Harold Lienau and Tom Kiely.

Flood Control To Be Topic at Session Monday

Commissioners of Zone 6 of the County Flood Control District will hold a public hearing on Monday, April 21 at 10 a. m. at the Fiesta House of the Desert Inn at Palm Springs.

Purpose of the meeting is to discuss the budget for the next fiscal year and projects which may be undertaken.

Zone 6 includes Palm Springs, Desert Hot Springs and Cathedral City, and much of the surrounding area not included in the Coachella Valley Water District.

Max Bookman, chief engineer of the Riverside county flood control and water conservation district will be present as will Zone Commissioners Herbert Samson, W. R. Hillery and Culver Nichols.

Carpenters Called In to Rescue Pussy

A little Persian kitten, a neglected mother cat, and the anxiety of many children over the fate of the furry little tabby, revealed that there are many in the Village who have that "be kind to animals" instinct deeply ingrained even if it comes to tearing up an expensive floor in the Desert Sweet Shop located in the Center.

How the little white cat, its color was revealed later, ever became imprisoned beneath the floor of the Desert Sweet Shop still remains somewhat of a mystery, but it was and on its presence under the floor hangs this tale and the resultant commotion and anxiety on the part of children and grown-ups, too, for that matter, as to how it could be rescued.

MRS. DOROTHY HARRIS, daughter of Mr. and Mrs. William Copland, owners of the Desert

May 20 Set for Election on Hospital

Voters To Decide
on Purchase of
Torney Grounds

Whether the city of Palm Springs shall pay \$650,000 for all or a portion of Torney General hospital will be decided by the voters of this community May 20.

This was the unanimous decision of city council in meeting Wednesday night.

After City Attorney Roy Colgate read the resolutions pertaining to the election, discussion around the council table led listeners to believe that all of the \$650,000 would not be spent for the purchase of all of the Torney property.

THE FIGURE the voter will be asked to say "yes" or "no" to is the maximum amount the Torney General hospital is expected to cost including approximately \$200,000 in alterations and the restoration of the land there. The \$650,000 is also a protection that the city fathers are seeking in the event the government decides to ask up to that amount for the surplus property.

Councilman Armand Turgnnet leaned forward across the council table when he heard that the figure to be asked at the polls would amount to \$650,000.

"Why," he questioned, "we were given to believe that the cost would be not more than \$400,000."

"That may be true," answered Mayor Hyde, "but there was no definite assurance that a charge much more than that would not be asked."

THE ACTION of the council Wednesday night in calling for an election on the proposal to purchase Torney General was virtually decided upon last Friday. At that time the council met with Raymond Haight, attorney, recently returned from Washington, D.C. He had originally been sent to the nation's capital to aid in its application for Torney which at that time judging from all reports, had already been turned down by the government.

He is reported to have told the council that substantial discount on the lands and building of Torney general hospital was virtually assured if the city exercised its priority right in purchasing the hospital.

AT THE SAME TIME Haight informed that council that no discount would be forthcoming on any of the buildings or grounds that the city would use for purely administrative business. In order to follow through on the work he had accomplished while in Washington, Haight advised the council to file separate petitions for the Desert Museum, Community Hospital association and other civic and non-profit organizations contained in the city's first application. These applications had to be in the hands of George Wilson, public buildings administration, San Francisco by April 15.

Although it became evident that the city council is not sure exactly how much the hospital property will cost in the final analysis, if the voters decide in favor of purchasing the hospital, the city fathers want enough money voted to a maximum of \$650,000. Actually, the city council does not expect that the hospital property will cost the city more than \$500,000. The balance of the money would then be used for alterations and improvements of the property.

Sweet Shop, first heard the meowing of a cat near the front entrance. At first she couldn't place where the sound came from but when the second day the kitten's crying became more insistent and it became clearly evident that it was imprisoned under the floor of the candy shop.

Somehow the plight of the kitten under the floor spread throughout the neighborhood and among the first to volunteer its rescue was a group of children from the Reservation.

BUT FIRST, the fire department was called and then the police department, and then—well others were called too—but no one could offer a solution, without doing considerable damage to the property in rescuing the cat.

Into the picture about this time

Floyd Bigley Appointed To City Council Position

Dark Horse Candidate Wins Post

Service Station
Operator Succeeds
Maurice McCann

It's Councilman Floyd Bigley now.

Action making Bigley a councilman to serve out the unexpired term of ailing Maurice McCann, resigned, took place with lightning rapidity at a regular meeting of the city council Wednesday night in the old personnel building at the Palm Springs airport.

In deciding to appoint Bigley, the city council took no official recognition of two petitions filed in behalf of Charles Mathews or Harold Murphy, both of whom aspired to fill the vacancy created by McCann's resignation. It was reported that many names of voters in Precinct One where the vacancy existed had signed both petitions.

MEETING of the city council, scheduled to take place at 7:30 p.m., Wednesday, found the seats around the council table vacant until five minutes after 8 p.m. However, through the door window of a small office in the personnel building, the entire council could be seen but not heard in serious discussion.

Asked what the councilmen were talking about for more than a half hour, Mayor Clarence Hyde said that he had been talking about good fishing spots. Other councilmen avoided answering newsmen's questions whether the appointment of Bigley was the topic of conversation behind the closed doors.

ONCE IN OFFICIAL convention, the council's first business was to re-appoint Phil Delano to another term as an officer in the Housing Authority. Immediately thereafter, Mayor Hyde officially announced the councilmen that a vacancy on the council existed and asked for suggestions as to who should fill this vacancy.

"I make a motion that Floyd Bigley be appointed to fill that vacancy," quickly declared Councilman Tom Kiely.

This motion was instantly seconded and the mayor called for a voice vote. The results were unanimously in favor of Kiely's selection.

BIGLEY is the proprietor of a super-service station located at 694 South Palm Canyon Drive. Expressions among those present in the audience was that the service station operator would make a good councilman.

Obviously the council torn between either the selection of Mathews or Murphy, decided on a compromise and appointed Bigley.

THE DESERT SUN was unable to reach Bigley last night but in further conversations with Mayor Hyde, the impression was gained that the new councilman had been contacted earlier in the day and agreed to serve if he was given the appointment.

Harold Murphy was present in the audience during the council meeting. After the selection of Bigley he announced that he

Cheer Up

It's Just Training
Season for Summer

Monday it happened. The mercury went into the three-figure class that day and it has been there or thereabouts ever since.

But old-timers are not worrying. If 1947 goes like the other years there'll be a change in the weather soon and May will be a delightful month. They say it always has been and can't see why this year should be any different.

Anyway, here's why you mopped your brow this week and perhaps thought of cool green mountain retreats or green and white breakers pounding on the beach:

Date	Max.	Min.
April 14	102	56
April 15	105	54
April 16	105	66

Students Take Charge of City Students' Day

There were two city managers, two fire and police chiefs and fourteen instead of seven councilmen managing the city Wednesday.

It was Student's Day, annual event in the city when students of the Palm Springs Union High School learn at first hand the various functions that make a town function.

JAMES SEARLES, stepped into City Manager Bill Alworth's shoes for a day, and listened while the real city manager conducted interviews, discussions and affairs of city government. The office of City Clerk saw student Barbara Croft, sitting beside Mrs. Louis McCann. Sally Robinson, walked into the office of treasurer Charles Peterson to learn how that department functions.

At the police station Chief August Kettmann handed over his badge, gun and cap to Jay Holderman, and Robert Hillery, took

Miracle

Miracles happen once in a while but John Archibald, co-owner of the Palm Springs Drug and Import company is one person who really believes in that old adage.

Yesterday on the O'Donnell golf course, he took his stance, mighty mite of a man that he is, and addressed the ball that laid at his feet. One hundred and twenty-five yards away and out of sight behind a light knoll was hole number five, with a par three. That is, a par three for the average golfer in the opinion of Archie.

UP AND UP went Archie's club, and down and down it came with the force of a Babe Ruth about to smack one over the fence. True was the stroke that hit the little white pellet and away it sailed into the "wild blue yonder, flying high into the sky" to disappear out of sight behind the knoll.

John Archibald, "Spec" O'Donnell and M. R. Smith, trio making the nine-hole course, approached their balls but not Archie. The harder he looked the more excited he became until bursting in wild frustrated hope that maybe—maybe—Well, he cautiously approached the cup. What happened from then on neither O'Donnell or Smith can well remember.

THERE WAS a lot of Comanche Indian shouting, a figure kept jumping up and down behind the cup. Must be the heat was in the minds of Archie's playing companions but when they noticed him pointing to the bottom of the cup they too looked and then fell back in amazement. The mighty Casey—no the mighty mite of an Archie had achieved one of his ambitions—A HOLE IN ONE!

Miracle? Why you're crazy.

YOUTHFUL KNOW-HOW—Students of the Palm Springs Union High School "took over" all of the city government jobs during "Student's Day," Wednesday. Top picture shows Jim Searles, 17, in City Manager William E. Alworth's chair as he discusses with P. M. Swart (standing), Superintendent of the Buildings Department and Streets, a point about street maintenance. At left is Alworth smilingly listening. Lower picture shows Chief of Police August Kettmann pinning his gold badge of authority on Jay Holderman's breast while Sergeant Stanley Ehlert looks on. (Gayle Studio photo.)

Cree Elected President of Realty Board

Raymond Cree, pioneer realtor in Palm Springs was elected president of the Palm Springs Real Estate Board at the annual election of officers held during the regular breakfast meeting of that organization at the Desert Inn Tuesday morning.

For 27 years, Cree later said, he had side-stepped the position of president of the Real Estate board of which he has been a member since its organization. He was finally drafted for the honor by the membership.

Also elected was William Vieth, vice-president; and Harold Tracy as secretary and treasurer.

Miss Muriel E. Fulton, the first woman president of the realty organization, was the retiring president.

City councilmen Wednesday night, voted to deny a dancing permit to Chart Incorporated on the grounds that the night club had failed to comply with all city regulations pertaining to safety.

No Opposition Develops for School Offices

Incumbent members of the Palm Springs high school board and the Desert District board, whose terms expire this year, will be unopposed for re-election, according to word from the office of E. E. Smith, county school superintendent.

Deadline for filing nomination papers came Wednesday, April 16, and only the incumbents had filed by that time.

SCHOOL ELECTIONS will be held on May 16 this year. Polling places and board officials will be announced later.

On the high school board, terms of Charles J. Burket and Eugene E. Theriault expire this spring. Both have filed for re-election and will be unopposed on the ballot on May 16.

Other members of the high school board are Gordon Feekings, W. R. Hillery and Dr. Frank A. Purcell.

ONE MEMBER will be elected to the Desert School District. See OPPOSITION, Page 8

Doing the Village with Moya Henderson

A man to be envied was Ken DuBose when he and Ruth entertained the Barbara Worth Brigades from El Centro following the parade on Saturday. All thirty-seven girls gathered in the DuBose rumpus room for cocktails, very happy for having just won the grand sweepstakes. They came all the way from the valley city with no sponsor, just to see and be in on the fun. All are friends of Laura and Jerry DuBose who are in business in El Centro and were guests of the local DuBoses for Circus Week.

Another popular gentleman

surrounded himself with beautiful gals on Sunday night. Trav Rogers gave a dinner party for the gals who served as his deputies for the Kangaroo Courts. With their dates and husbands the girls spent the evening dancing and enjoying Trav's entertainment.

IN APPRECIATION of his years of service in this community, members of the Community church held a reception for Dr. John Robertson Macartney in the church hall on Tuesday evening. It was a real tribute to Dr. Macartney's work here in Palm Springs to see so many faithful and religious represented in the gathering of over two hundred guests. Carl Lykken acted as master of ceremonies during the lovely program and Dr. Bertram Weatherall, Pastor Emeritus, was the evening's speaker.

Members of the church presented the Doctor with a memento going away present. Last Tuesday the women of the Community Circle held a reception in honor of Mrs. Macartney who was too ill at the time to attend. The ladies presented her with a lovely fitted overnight bag. Both Mr. and Mrs. Macartney will be sorely missed in the community. Reverend James Blackstone, successor to the pastorate, left by plane on Thursday to attend Dr. Macartney's brother's twentieth anniversary celebration ceremonies at his church in Pittsburgh. Dr. Blackstone served as Dr. Macartney's assistant for four years in the Pennsylvania town. He will return to the Village on Saturday.

ANOTHER anniversary celebration was held at the Gus Kettmann's on Tuesday night when Gus celebrated his second anniversary as Palm Springs chief of police. All the members of the force and their wives enjoyed charcoal broiled steaks in the Villa Ramon patio. The town was well protected however as those off duty went up town to relieve the working crew so that they too might enjoy the barbecue.

49'er Celebration Under Way Today At Hot Springs

Desert Hot Springs has a big weekend in store for those attending the 49ers Days celebration there today, Saturday and Sunday.

The schedule of events calls for the dedication of the new grammar school today, the very popular Beard contest tomorrow, and the big Soap Box Derby will highlight the third day's festivities.

The Soap Box Derby, with forty-four entries signed up to compete, will be a big drawing card for folks looking for fun and entertainment. Kids up to 18 years are allowed to enter and it is understood that some of the fastest cars in California will be on hand to try for the \$100 first prize.

FOR PERSONS who love to try their luck, there will be the Red Dog Gambling Saloon where there'll be real honest to goodness games of chance for the asking.

Two dances, bingo, carnival concessions, a rugged Kangaroo court, wiskerino, costumes and a parade will go to make the 49ers Days, so popular last year, a festive weekend for all comers. The event is sponsored by the local Desert Hot Springs veterans organizations.

THE ADVENTURER WILTS
After a few words, mostly spoken by the young wife, her hubby sprang to his feet.

"You've gone too far!" he exclaimed angrily. "This is our last quarrel. I'm going right out of your life."

"Oh, Henry, darling, where are you going?" she cried.

"Where I'll never trouble you again," he replied as he started to open the door. I'll find a place where wild adventure will wipe out the memories of this moment—perhaps in the jungle—or on the stormy seas—

As he spoke he opened the door, then closed it again and turned sternly to his wife.

"It's lucky for you it's raining," he said.

Here's to many more anniversaries, Gus.

Bernice Grant celebrated her birthday on Tuesday too and as husband Bill was in Los Angeles with Johnny Boyle both Bernice and Tani Boyle were guests of Billie and Hutch Mosely for dinner.

VERA NICHOLSON, much to her surprise, had quite a birthday party herself on Monday evening. Arriving at the Merrill Crockets, supposedly to join them for dinner, she found the Ralph Shelley's, Frank Cutlers, Faye Brainards, William Lippmans, Florence Lockett, Josephine Sprague and Gordon Feeplings laying in wait for her. After enjoying fruit cocktail the party moved on to the Lippman home where a buffet supper was served and then progressed to the Shelley's for ice cream and birthday cake after which a rousing game of Help Thy Neighbor was played. Everyone pronounced Vera's party much good fun. The Turonnetts were unable to attend as Blanche is laid up with a severely sprained ankle.

Only once in fifty years does your Golden wedding anniversary come along and it happened to the Hubert Feeplings last Friday. They celebrated at home with their daughter, Gladys Denton and their son Gordon Feeplings.

CHUCK BOSWORTH paused in Palm Springs on Wednesday long enough to say hello and goodbye to some of his Village friends before going down to see the Clarence Bosworths in Coachella Valley. Chuck, who flew to San Jose from New York to get his mother and drive here, left by plane for South America this week where he will be in charge of a large construction job. Mrs. Bosworth will visit with Clarence and Juanita for a week or two before returning north.

It's another boy for Honey and Paul Taylor. The young Hercules, tipping the scales at ten pounds, was born at the Loma Linda hospital Wednesday noon. Both Honey and Paul are former residents of the Village.

It was a fifty pound mare that Earl and Jane Neel had last week. The little filly came into the world at the Billington Stables completely surrounded by good Los Compadres horse flesh.

Through the Looking Glass

THE telephone industry finds itself today in the plight of Alice after she stepped through the looking glass . . . it has to run as fast as it can to stay where it is.

In spite of the fact that the industry as a whole installed nearly four million new telephones in 1946 it still has more applications than that to take care of. It is amazing how telephone usage has grown in the past few years. Faster than applications can be filled new ones rain in. It is really amazing.

And on top of that, existing service must be brought back to normal, which of course is still a primary job. However, we are happy to report that new equipment is arriving little by little and in due time we will be able to install new telephones at a normal rate.

California Water & Telephone Company

The David C. Lilienthal Appointment

By ETHEL GILLET WHITEHORN

When President Truman appointed General George Marshall Secretary of State, not one murmur of protest was heard throughout America, excluding the Communists, of course, who don't approve of a real American being appointed to any office. The United States Senate confirmed the President's appointment without resorting to the usual oratory or debate.

The Presidential appointment of David E. Lilienthal to head the Atomic Energy Commission is a vastly different story. Weeks passed before that appointment was finally confirmed by the Senate on April 9, when fifty Senators voted aye, and thirty-one voted nay.

THE ACTUAL DEBATE covered the period from March 29 through April 9. The pages of the Congressional Record reveal a long and bitter argument. This writer, after following the debate very carefully and with an open mind, cannot understand why Mr. Lilienthal's appointment was finally confirmed. Certainly, I am not living alone with my opinion that there shouldn't be a shred of doubt concerning the man who is to head the Atomic Energy Commission.

It is true that during the debate in the Senate, personal animosity came to the front more than once. That isn't important. What is important was the statement of Senator Harry Byrd (D) of Virginia, (Congressional Record April 2, p. 3116).

SINCE THE FIRST days of the New Deal, Senator Byrd has been

the Chairman of the Joint Committee on Expenditures. He has consistently fought waste and extravagance in all agencies of the Government. His investigation of men who headed those agencies won the sincere support of the American people, who know they have in Senator Byrd a champion of America's institutions and traditions.

This is what Senator Byrd said to his colleagues: "Without contradiction David E. Lilienthal has allowed the reputable Current Biography, 1944, to quote him as saying: 'Our government and every government is and must be a government of men and not of laws,' and the same biographical sketch continues with the statement that 'he, Lilienthal, 'was expressing a thought which he is still paraphrasing today.'"

"**THIS EXPRESSION** by Mr. Lilienthal represents the fundamental difference in his philosophy of government and mine. With all my mind and heart, I feel that only a rigid adherence to our fundamental conception of a 'government of laws and not of men' will preserve our democracy. The founders, in their supreme wisdom, established for the people of America a government by laws enacted by their representatives in preference to a government by men, which they knew meant autocracy and dictatorship. A 'government of men and not of laws' can only end in the destruction of the freedom that has made America great."

"In my fourteen years of service in the Senate I regard this as the most important nomination submitted to the Senate. The Chairman of the Atomic Energy Commission can well determine the future security of America and the future course of the world."

"I HAVE earnestly endeavored to reach a fair decision in accordance with my convictions. With the thousands of able men from whom to choose, why should a selection have been that has even a taint of some foreign 'ism' abhorrent to the American people?"

"My study and knowledge of Mr. Lilienthal's activities as a public official demonstrate to me definitely that he believes in a government of men and not of laws, and that he has practiced this belief in his daily work in important governmental capacities. For more than ten years in my investigation of governmental agencies, I have been impressed time and time again with the ruthless purpose of Mr. Lilienthal to dominate his colleagues and to conduct his public duties to serve his own wishes, regardless of the express acts of Congress."

"I HAVE NEVER cast a vote in the Senate which is more in accordance with my sincere convictions and beliefs than the one I shall cast in opposition to the confirmation of Mr. Lilienthal's nomination."

Following Senator Byrd's statement, he introduced the evidence to support his opinion.

I also wish to call your attention to the book "Democracy on the March" written by David E. Lilienthal. In this book he makes the statement referred to by Senator Byrd that "Our Government and every government is and must be a government of men and not of laws."

Woman's Club to Close Season at Monday's Meeting

It will be the aloha meeting of the Woman's club next Monday, April 21st, at the clubhouse. Mrs. Harold Murphy, president for the coming year, will preside and urgently requests all members to be present at this final meeting for the season.

Mrs. A. G. Kieser of Riverside, president of southern district of the Federations of Women's Clubs will be present. Mrs. C. H. O'Neal, state trustee from Los Angeles district, will speak to the members. Mrs. O'Neal is also state and Los Angeles district chairman of nurse scholarships and state chairman of Philippine aid to the Philippine National Federation of Women's Clubs.

Hopes for future betterment in lighting are pinned primarily on advances in fluorescent and other vapor discharge lights, rather than the incandescent type.

Clint Jones To Join L. A. Radio Station's Staff

Clint Jones, who has been general manager of Palm Springs' own station, KCMJ, since its inauguration more than a year ago, has resigned. He will join the executive staff of station KFAC, Los Angeles.

Dick Joy, KCMJ co-owner and network freelance announcer, has taken over management of RadiOasis. Joy will continue his Hollywood announcing assignments on "Sam Spade," "Harvest of Stars," and the "Telephone Hour," combining station business with his trips to Hollywood.

The heavyweight boxing title has changed hands five times since 1930, always in the month of June.

AGAIN WE SAY---

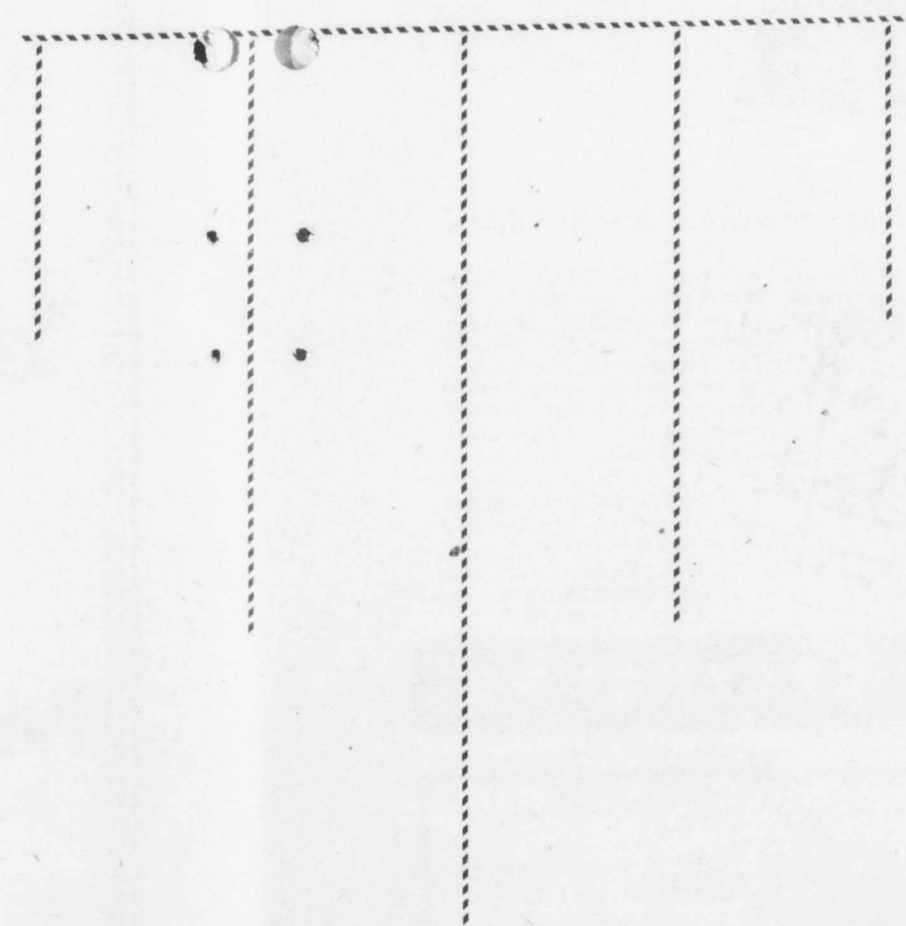

STAY THRU

The Loveliest Month of the Year

Lovely mountain peaks tower over Palm Springs, and down from cool, watered canyons—pine-scented breezes waft themselves desertward beckoning natives, who have wisely stayed on through May, to enjoy nature at its best in the desert springtime. Life is at its best from now on through May—the most enticing month of the year—so you'll be happy while here—and glad you too stayed through May.

Old-Timers in the Village know! Each year, following a brief "Warm Spell" in Mid-April, the weather cools—and during the remainder of the month and all through May—Palm Springs enjoys its loveliest weather—warm balmy days—cool, gorgeously beautiful starlit nights—The Village goes Native—Shorts and a minimum of clothes are the fashion—Swimming and sun-tanning are the style—and picnics and rides to the canyons are almost a daily fare—It's fun—and health giving—and smart, too, to STAY THROUGH MAY.

Cool canyons—site for picnics and daily excursions this time of year. Here are seen Chino Canyon terminus will end in the snows and pines—a ski the watered cienega, site of the tramway's lower

Glass vacuum. 6-cup capacity. Saves every drop of flavor. Heat-resisting glass—heat-proof plastic handle. Wide mouth for easy cleaning... **\$1.89**

DON CABALLERO

TUESDAY evening Two-Trig-ger Jack Kriender and his lovely wife Louisa, gave a dinner by the pool at the Racquet Club to say good bye to their many friends in Palm Springs.

Those present were Jerry Hoppes, Eddie Grana, Herta Pons, Chuck Mendelson, Percy Mendelson, Joyce Rosenberg, Townsend Netcher, and Dorothy Gray.

JOHN AND LIZA Gallois entertained at cocktails for their houseguest Tony Douquette last Saturday afternoon at their lovely home on Camino de Monte.

Among those present were Mr. and Mrs. Alvin Untermeyer, Mrs. Eugene Meyer, Dan Burnham, Mrs. Marie Blue, Marielna Borden, and Clarence Wooley.

SATURDAY night at the Racquet Club some of the "Favorite Characters" were very reveling.

Bill Powell wore an exotic woman's hat and carried a cane and a keyhole; his favorite (?) character being Hedda Hopper.

Cute Janet Thomas and Jack Straus came as bathing beauties, she in a sequin bathing suit and he in long white tights; Milt Hicks in bathrobe came as Time to Retire; Willie Rogers wore a concho belt, her favorite person being Priscilla Chaffey; Mary Gargan in green said that she was something left over from St. Patrick's Day; and Louisa Kriender was Carmen Miranda.

Marielna Borden with grey hair and tennis shorts came as Charlie Farrell, and Charlie himself came as Mike Romanoff with a beaniebag.

SUNDAY night Sheriff Trav Rogers wound up Circus week with a good old stable party given outdoors for his deputies.

Among those present were Ken and Virginia Paul, Milt and Mary Jane Hicks, Pat Boyer, Phyllis Schinner, Bucky Henshaw, Paul and Aloha Browne, Frank and Janice Bogert, Bill and Mary Gargan, Judge Leo Fields, Jack and Helen Kenaston, Phil and Mary Delano, Frank and Melba Bennett. Entertainment was spontaneous and the best.

Johnny Mercer sang, accompanied by Paul Browne and Bucky Henshaw; Leo Fields told stories; Bill Gargan tried too, but Willie Rogers' heckling was too much for him. Kinkie Paul repeated his success of the Insanities; Helen Dear Kenaston imitated Jerry Colona, and Melba Bennett fulfilled her life-long ambition to audition for her own Insanities, but she was turned down.

BARBARA BROWN, who has the brownest tan on the desert, was seen riding early Wednesday morning with Bill Ortvinn.

Always the business man, Bill took his fair companion to breakfast at the Airport Cafe. Do they provide breakfast for horses, too, Bill?

AMONG THOSE enjoying dinner and dancing at the Tennis Club on Sunday evening were the following guests of Dr. and

Mrs. Joseph A. d'Alessio: Mr. and Mrs. Nino Bellini of Beverly Hills, Mr. Herbert Papock and Ila Marie Willing, former French Cinema star. The attractive Ila-Marie has recently returned to New York after two weeks in Palm Springs after the events of Circus Week for the d'Alessios.

MRS. PEGGY BULL and Alvin Ziskin hosted a merry group at the Doll House on Saturday night that included Colonel and Mrs. Leon Gray, Major Valin Woodward, Major Bill Hovde, and Colonel Sidney Woods. Prior to dinner at the Doll House, the group were cocktail hour guests at the Racquet Club.

Colonel and Mrs. Gray were the houseguests of Mrs. Bull over the weekend. Colonel Gray is commanding officer of the 12th Reconnaissance Air Squadron at March Field. It was this group which participated in their P-80 aircraft at the Air Circus.

THE ROUND of parties continues at the delightful Palm Springs Tennis Club. Sunday buffets are exceedingly popular with a number of large parties taking place each week.

This Sunday saw parties hosted by the Paul Helms, who entertained for twelve of their friends. Mr. and Mrs. E. W. Jones hosted a group as did Mr. and Mrs. Tom Holland, Ruth Foutz, Mr. and Mrs. E. C. Garland, and Mr. and Mrs. Thomas Fleming to mention but a few of the many gala luncheons taking place.

THE BOMBAY was the setting for a delightful dinner given by Mr. and Mrs. Don Manchester on Monday evening.

The affair was in the nature of an after-Circus Week party for ny and Virginia Paul, Milt and Mary Jane Hicks, Pat Boyer, Phyllis Schinner, Bucky Henshaw, Paul and Aloha Browne, Frank and Janice Bogert, Bill and Mary Gargan, Judge Leo Fields, Jack and Helen Kenaston, Phil and Mary Delano, Frank and Melba Bennett. Entertainment was spontaneous and the best.

Ramona Pageant Starts Tomorrow On Outdoor Stage

With the heaviest advance in mail orders and reservations in its entire history the Ramona outdoor play will launch its 20th season on Saturday, tomorrow, in Ramona Bowl near Hemet.

According to the Ramona executives, sales are almost double that of last year in advance of opening. The outdoor spectacle is scheduled for six performances on April 19 and 20, April 26 and 27 and May 3 and 4.

In the roles of Ramona and Alessandro for the second season are Juanita Encell and Henry Brandon supported by a cast of 300 comprised of residents of both Hemet and neighboring San Jacinto.

Performances start promptly at 2:45 p.m. in Ramona Bowl located a mile and a half from Hemet in the San Jacinto mountains. Here acres of mountainside form the panoramic stage for the unfolding of one of the greatest love stories ever written.

Ramona Bowl is thirty-four miles from Riverside and accessible from any point in Southern California in a matter of a few hours. Free parking space at the bowl is provided for thousands of cars.

BIG DOINGS in town recently when the younger men about town got together with Bob Konstant to help him celebrate his birthday. Those present were Jon Visel, Larry Purnell, Dickie Pell, Danny Nieshuler, Tommy Colson and Jackie Patern.

It was a lovely party luncheon with a variety of sandwiches, a large chocolate birthday cake with pink candles... blown out at one try!... two kinds of ice cream. This was strictly stingy and for a moment while singing happy birthday, the young guests looked like little shaggy angels... in tune!

Surprise visitors were Dr. V. A. Chapman, who was passing through town, and Mr. A. M. Nardoni, who treated the boys to pop-corn and the matinee.

CANDID COMMENT

At a wedding breakfast little Eric was given a seat near his adoring aunt.

"Well," said the lady, "what kind of a wedding will you have, Eric?"

"I'm never going to get married!"

"But why won't you ever get married?"

Eric was silent for a few minutes as he gazed across the table at his admiring parents. Then he answered very positively: "Because, Auntie, I've lived with married people too long already!"

BRIEF, AND TO THE POINT

During his dramatic day, Heywood Brown's pet peeve was ham actors, and he attacked them remorselessly. Once, after witnessing a particularly shabby performance, he reported:

"Last night, Mr. — played the role of he-man. He played the part by throwing out his chest and following it across the stage."

Joys of Pastor's Life Subject of Farewell Sermon

"The Joys of a Minister's Life" was the topic of Dr. J. R. Macartney in his final official sermon as pastor of Community church last Sunday. He retires from the active ministry of the local church this week.

Eleven years of his ministry in Palm Springs were summed up by the pastor.

"I touch only on the golden side of the shield," he said. "The iron side will be hidden from view."

HIS TALK was a joyous summing up, not only of his 11 years in the Village but of 52 years in the Presbyterian pulpit in many different parts of the nation.

"The experience in leading hundreds and thousands to walk in the Christian way has been wonderful," he said.

Dr. and Mrs. Macartney have not yet fully made definite plans for the near future. A portion of the summer will be spent at their mountain retreat at Forest Home in Mill Creek canyon. Later they expect to journey eastward to attend summer Bible conferences at Chataqua, New York, and at Northfield, Mass.

AT THE CLOSE of his talk Dr. Macartney urged the congregation to give the new minister, the Rev. James Blackstone Jr., the same "splendid support and encouragement" which he had experienced during his pastorate in Palm Springs.

Special words of appreciation were said concerning the leaders in the various departments of the church for their fidelity and devotion: Mrs. Clara Veith, Sunday school superintendent; Mrs. William H. Davis, head of the

Rev. Blackstone Flies East for Church Reunion

The Rev. James Blackstone Jr. left Wednesday by airplane for Pittsburgh, Pa., where he attended the reunion of former assistant ministers at the First Presbyterian church there and also the celebration of the 20th anniversary of Dr. Clarence Macartney, pastor of the Pittsburgh church. Dr. Clarence Macartney is a brother of Dr. J. R. Macartney of the local church.

It is interesting to note that the local Dr. Macartney's father and his three brothers, one of them recently passed away, have all served in the pulpits of the nation. His father was in the ministry 57 years and the combined years served by this one family in the pulpit total 230.

Dr. Blackstone expected to return here by air tomorrow in time to conduct Sunday morning's service.

At the evening service Sunday there will be a motion picture entitled "A Voice in the Wilderness."

There will be special music by the Girls' Sextet.

Vermouth has a base of white wine, fortified with alcohol and then aged for a year or more in wooden casks.

Bishop Gooden at St. Paul's Confirms Large Local Class

"Christian Endurance" will be the sermon topic of Rev. Robert M. Hogarth Sunday morning at the Episcopal church of St. Paul in the Desert. The Sunday school classes will continue to meet until the end of May. New pupils come in each Sunday.

The Rt. Rev. Robert Burton Gooden, D.D. Bishop Suffragan of Los Angeles, confirmed a class of seventeen last Sunday—eight young people and nine adults. Genie Babylon, Clinton C. Bauer, Frances Keene, Bauer, Hiram Hudson Benedict, Elmera Patricia Crawford, Jeremy Freeman Crocker, Michael Lea Isenagle, Pauline W. Isenagle, Raymond Knowles, Charles John Lee, Martha Summeril Mayer, Martha Aurolyn Mayer, St. Elma McMullen, Furl McMullen, Korryn Okerlund, Maxine Ione Okerlund and Gertrude Wells Overly.

TWO OTHER ADULTS have been prepared for confirmation but were unable to be present.

New Officers of Church Installed at Ceremonies

Officers of Community church, recently elected, were installed at a meeting of the church Sunday.

They are:
Elders—Carl G. Lykken, Howard Ames, John W. Williams, J. C. Langtry, John G. Hornell, J. Marvin Ostrander and William A. Lippman.

Trustees—Miss Maud McQuillan, chairman; Donald E. Cole, secretary; C. S. Henderson, treasurer; the Rev. B. B. Weatherall, Gordon D. Nicholson, William H. Veith, Mrs. George B. French, George B. Davies, Fay Brainard, Frank V. Shannon, Dr. E. V. Emery and William Lux.

Advisory Board—Henry Wick, John S. Jenkins, John W. Williams and the Rev. B. B. Westerall.

Tuesday evening, the board held its final meeting under the moderatorship of Dr. J. R. Macartney, retiring pastor.

Women's Circle; Mrs. Gordon Clarke, in charge of decorations; Mrs. Holly Lash Visel, Mrs. Lois Lux and Mrs. Leona Markham who brought the music of the church to a high point of efficiency.

Winners in Essay Contest Revealed By Local Auxiliary

Winners in the Americanism essay contest, sponsored by Owen Coffman Unit, American Legion Auxiliary, in the local high school were announced by Mrs. Enid Armstrong, chairman, at the Auxiliary's meeting held Wednesday evening at the Desert Inn Fiesta House.

There were seventeen contestants. Bob Bregman placed first; James S. Partridge, second; and Charlene Hoss, third. The subject title of the essays was "America's Contribution for a Permanent Peace."

Mrs. Larry Jenner, Mrs. Harry Lotz, and Mrs. Armstrong acted as judges.

THE WINNING essays will be entered in the 21st District (Riverside and Orange Counties) contest, the results of which will be announced at the Auxiliary's District meeting scheduled for Tuesday, April 29, at Corona.

The contestant submitting the essay judged to be the best in the state will receive "The World Book Encyclopedia," composed of eighteen volumes and guide, in addition to a \$50 cash award.

In the National competition \$100 will be awarded the winner. Presentation of awards for the local contest will be made at the high school graduation in May, by the president, Mrs. Harold Lienau.

Death Takes Daughter Of Village Couple

Little Mary K. Jordan, 6, the daughter of Mr. and Mrs. Robert M. Jordan, 1610 Tamarisk Road, died here Tuesday morning. Funeral services were held at the Clinker's Mortuary in Huntington Park, Wednesday afternoon. The child had only returned from the Children's Hospital in Los Angeles, two weeks ago, where physicians had declared her illness incurable.

WHAT TO DO IN MAY—Rita Johnson, radio singer, a recent guest at the Desert Retreat, shows what to do in May. She's coming back for another stay and plans plenty of swimming and sunbathing during the "best month of the year" here.

Attitude of Business People on Proposed Parking Meter Plan to be Subject of C. of C. Post Card Poll

A post card ballot will be mailed tomorrow by the Palm Springs Chamber of Commerce to every holder of a city business license in the Village asking the licensee's opinion on the proposal to establish parking meters in Palm Springs.

Approximately 600 of the cards will be put in the mail each bearing the request that the return postal be voted, signed and returned to the Chamber of Commerce at once. The city-wide balloting is part of a survey recently authorized by the Board of Directors which is seeking to determine the attitude of business people toward the meters and also to investigate the likely income from the system if adopted. A recommendation to the City Council will be adopted by the Chamber of Commerce if the findings are favorable.

HOLDERS of licenses in Palm Springs are asked to communicate with the Chamber of Commerce at telephones 6111 or 6191 if they do not receive their ballot or if it is spoiled or lost.

The study of the parking meter situation was authorized by the directors after receiving information as to the great spread of their use in cities and towns throughout Southern California. The firms manufacturing the meters install them and retire the cost from the income. In most communities where installed they have paid for themselves in periods from there to six months of use. Thereafter the entire income goes to the city.

IN ADDITION to a "yes" or "no" vote on the ballot mailed to the license holders, the Chamber of Commerce is asking for an expression of sentiment on the question of whether the income from the meters, if installed here, should be earmarked by the city for the acquisition and operation of municipal parking lots. This plan is being followed by many cities which have adopted parking meters as the money paid by the motorists for parking privileges on the public streets is retained for the purchase of

additional parking facilities.

Latest designs of meters, now in use in many Southern California cities, make it possible for a motorist to park his car in multiples of 12 minutes up to an hour or two hours according to the time limits. One cent holds a 12-minute parking period, two cents a 24-minute period and so on to the nickel for an hour. In a two-hour parking zone the cent "buys" 24 minutes of time, the five cent piece acquiring the two-hour time.

Ude's Cafe To Be Scene of AMVET Meeting

Members of Post 34 of AMVETS plan to hold their regular meeting in Bill Ude's Cafe Monday night at 7:45 p.m. Members are urged to bring their wives and any veteran that served in World War II. Refreshments will be served and plans for a gala party will be discussed.

It was also announced that Judge Advocate Hilton McCabe will read the new by-laws of the organization and a discussion of the next aerial circus will take place.

MORE ABOUT . . .

Pussy . . .

was injected the figure of Kenneth Colburn, owner of the Center property. He learned about the imprisoned kitten from the lips of little Mexican boys, who volunteered to crawl under the floor of the building and rescue the cat. There was a price, however, for this attempt—25 cents.

Now one quarter—25 cents for the life of a kitten isn't an insurmountable obstacle Kenneth Colburn was quick to assure those interested in rescuing the tiny tabby—but it was all important in the minds of the little Mexican kids. What stopped Colburn from endowing the "mighty mission" was the strong possibility that one of the boys would become imprisoned in the narrow passage under the floor of the building—"why the whole building might have had to be torn down," declared the property owner.

BUT COLBURN moved in another direction and quick. Frank Crossley, manager of the Center property received instructions to hurriedly tear up as much flooring, within as close a proximity of the kitten's crying as was possible.

Carpenters with awls, saws, and crowbars hurried to the scene and started rescue operations. The saws, crowbars and awls kept moving in unison with the baby feline's rhythmic wailing—and soon two boards of the flooring were torn asunder.

Still, the cat was just as far away as ever—because a sub-floor confronted the workers. Now a saw was brought into play, and pretty soon the hungry-looking, emaciated little white Persian kitten, not many days old, stood revealed.

CROSSLEY tenderly picked it up and rushed with it to the Palm Springs Drug and Import where he purchased an eye-dropper and some milk. He was about to start feeding the cat right there in the Drug Store, when some lady customer espied him.

"Why what has happened to that poor little white kitten?" she demanded to know of the startled Crossley. He started to explain but he didn't get very far, according to reports.

"Give me that kitten and I'll nurse it back to good health," the lady insisted.

"Why, lady," sighed the relieved Crossley, "the cat's yours, including this brand new eye-dropper I just purchased."

Apparently no one had to be reminded—all of the characters of this story, that this is "Be Kind to Animals Week."

Mass Initiation of Legionnaires Here May 29

Mass initiation of new members of the Owen Coffman Post of the American Legion and of the posts at Banning, Beaumont, Riverside and Coachella Valley is scheduled to take place on the ball diamond of the Field Club May 29, at 7 p.m., Jerry Sanborn, commander of the local Legion organization announced yesterday.

The well known Riverside Post's World War II, degree team will assist in the ceremonies and the Riverside Women's Post will act as color guards. Present for the occasion will also be the Riverside Legion forty piece drum and bugle corps who will perform in an exhibition drill.

The Palm Springs Post will be host at a dinner to be served later and those members wishing to attend are asked to make reservations as soon as possible.

Village Chapter D.A.V. Seeks New Members for Post

Qualified ex-servicemen are being sought as members of the Palm Springs Chapter of the Disabled American War Veterans, it was announced today.

Ex-veterans of both World War I and II, who have been disabled or drawing compensation as a result of injuries during military service are qualified to join. In addition any former soldier, sailor,

or, marine or coast guardsman, who was a prisoner of war is also entitled to membership in the DAVs.

The DAVs is not as big as other service organizations in the country, but it is known as an association where comradeship is warm, and where members cleave together in all programs having to do with bettering the conditions of the disabled.

Dr. James Potter, commander of the Palm Springs Chapter, added that the membership throughout the country may be small by comparison but the collective voice of this organization is generally listened to.

Tune Up Chum, It's Spring

LOOK at those buds bursting. Listen to the birds sing. It's great to feel spring in the air. And along comes the urge to get rolling on the road again.

So how's that Buick of yours? It's time to get it all trim and lively and ready to go places. There's that muck and dirt to get out of the radiator to have a cool-running engine. And fresh clean lubricants to put in the joints for a smooth quiet ride. And a tune-up to get you all the pent-up power in that Fireball straight-eight.

How about it? Want a real Buick job done? Buick care's our specialty, you know. Buick Engineered Parts are here. Together with Buick tools and Buick know-how. And that all adds up to good Buick car care.

Drive in—or give us a ring. We'll put the feel of spring in your car for you.

Church Group To Attend Session of Presbytery

Tuesday, a delegation from Community church will attend a meeting of the Riverside Presbytery at Hemet to place in the hands of the Rev. James Blackstone Jr. a call to take up the task being relinquished by Dr. J. R. Macartney, as pastor of the local church.

Mr. Blackstone comes from a ministerial line. He has a missionary background and a number of years in the pastorate. He also served as chaplain in the war and is well qualified for the duties he now assumes.

Wanted—Use of Swimming Pools for Girl Scouts

Wanted—the offer of more swimming pools for use of Palm Springs Girl Scouts during the coming hot months.

William Davis, of the Colonial House, was the first to donate the use of the pool there for the Scouts, and Bill Foldes of the Palm Springs Hotel was a close second. Any others, hotels or private homes, who wish to help in this regard, are urged to call Mrs. B. H. Poliak at 4972 at once.

As there are 140 girls enrolled in eight troops, there is a great need for these pools.

The girls, from all parts of the Village, are well supervised with one adult to every six girls and a life guard.

Of 833 bills introduced in the 1947 West Virginia legislature, 183 were passed and made law. Only one bill was vetoed by the governor.

Stay Through May, Advice of Old-Timers

Best Month Still Ahead According To Local Records

Feeling a bit on the torrid side? Perhaps it is because it's the first hot spell of the year—and again, it may be because the mercury went into three figures for the first time this year, this week.

But don't rush to pack up and take off for the seashore or mountains. It's hot all over Southern California and besides, the best month of the year—so old-timers say—is still ahead. If 1947 follows the pattern of previous years, May is going to be delightful.

May, they claim, is the ideal month in Palm Springs. April always boils up into the 100s, these long-time residents of the Village say, and then the maximums slip back into the low 90s and the 80s during May and even, in some years, continuing into the first two weeks of June.

There are warm, but not hot, days in which to put the finishing touches on the winter's sun-tan and cool, balmy nights, conducive to sleep.

RECORDS substantiate their claim. In 1946, for instance, the middle of April showed several days of 100 or more maximum, but May 1 saw a dip into the 90s and, outside of one flare-up, early in the month, the maximums remained in the 80s. Minimum temperatures were in the 50s mostly with a few nights in the low 60s.

In 1945, April went out in a blaze of 105s and May came in the 90s and after one flare-up, as in 1946 when it hit 103, dropped down into the 80 bracket. The minimums were in the 50s.

EVEN JUNE, in 1945, remained in the 80s for the first two weeks and the first day of summer that

Chief Kettmann Starts His Third Year on the Job

Friends, members of the police force and their wives, gathered at the home of Chief of Police August Kettmann, Tuesday evening to congratulate him on the beginning of his third year as head of the police department.

Mrs. Kettmann prepared all of the side dishes served with barbecued meat personally tended by the Chief. A huge white cake with two candles was presented to Kettmann by his wife and completed, in the opinion of many present, a delightful repast. Singing and story telling featured the evening.

Last Chest Clinic Of Season Early In May, is Word

This season's final diagnostic chest clinic will be held early in May at the Health Center, Mrs. Madge Holderman, public health nurse, said yesterday.

These clinics have been sponsored by the county Tuberculosis association and by the county health department of which Dr. Warren A. Fox is chief.

As usual, Dr. Frank P. Miller will be in charge.

Any person wishing to take advantage of this clinic is urged to contact Mrs. Holderman at the Health Center, telephone 2195.

year, saw the mercury in the 90s.

The 105 maximum in midweek started many on their way but those who know Palm Springs are sitting tight.

May is going to be all right.

Village Author is Given High Honor By National Group

H. G. Coulter, a resident of Palm Springs, is the recent recipient of high literary honor from an authoritative source. The author has just received formal notification of his selection for Honorary Membership in The Eugene Field Society, a national association of authors and journalists.

Under the rules of this society, Honorary Memberships are "conferred only upon Authors who have made an outstanding contribution to contemporary literature, those whose literary skill and craftsmanship, as shown by their published work, entitle them to special distinction and recognition." The roster of honorees carries such names as Eve Curie, Walter de la Mare, Edgar Lee Masters, Conrad Bercov

John Ward, son of Mr. and Mrs. O. M. Ward of the Village, was back at Pomona College, Claremont, after an extended tour of California with the Pomona College Glee club.

The glee club this year renewed its pre-war concert tour. Several of their concerts were broadcast.

"Where To Find It"

John Ward, son of Mr. and Mrs. O. M. Ward of Palm Springs, is co-author of "Campus Life", a new musical skit which will go out on the air over radio KOCs, Ontario.

It is one of three programs now being broadcast by Pomona college students over the Ontario radio station.

The Social Life of Palm Springs
in Don Caballero

Cathedral City News Roundup

Reported by MARY R. WOLSETH

Girl Scouts Plan Open House Event Friday, April 25

The local Girl Scout troop will hold open house on Friday, April 25 in celebration of the opening of the Girl Scout House on Allen Avenue and Second street. The friends in the community who have made this building possible in so short a time are cordially invited to drop in between 7:00 and 9:00 p. m. Part of the money is now on hand to line and furnish the Scout House and this will be done at the beginning of the next season.

The community was proud to have Cathedral City represented in the Palm Springs Circus parade by two floats made completely by the girls of the community. A May pole float and a camp fire float showed in symbolic form what the scouts stand for and what they are learning to live by.

An invitation to the Woman's Club and to the School Club to hold their monthly board meetings in the Scout house next year has been extended to the presidents of the clubs who express themselves as appreciative of this offer.

Final Notice!

Unless you have paid your garbage bill for April and May and are displaying the card in a prominent place where it can be seen by the collector, your garbage will not be picked up on or after Monday, April 21.

Residents were notified almost a month ago that this would come. The Sanitation Committee will hold its second hearing at the Town Hall, Thursday, April 24, at 7 to 8 p. m., to hear suggestions and make adjustments.

Personals

Miss Elizabeth Tayke flew to Chicago this week to attend her sister's funeral. Because of this as Miss Tayke is the baker. Her partner is Miss Marie McCann and these ladies say that they have more than tripled their business since opening a bakery in Cathedral City this year. If they had more sugar they could do still more as they furnish the principal restaurants and guest ranches and churches with cakes and pies and coffee cakes. Their hot cross buns went over well on Easter week end. We hope Miss Tayke will return soon for we haven't had a dessert since she left.

Cathedral City Community Church In Annual Session

The annual congregational meeting will be held at the close of the service at the Community church held in the Town Hall next Sunday morning. Reports will be given of the financial and spiritual work of the church.

Recently Rev. J. C. Abels advised the session that he is retiring from active work June 1. A representative of the Gideons will report on the work of that organization. The public is invited to attend both the service and the congregational meeting.

Ray Beaton was called to Pocatello, Idaho, this week due to the death of his father, Henry Beaton.

M-Sgt. Gabe Potter, wife and young son from Minnesota and Camp Lejeune, No. Carolina, are spending terminal leave vacation in Southern California. Sgt. Potter was in the invasion of Iwo Jima, Okinawa and Japan where he has since been stationed.

Col. Rose Back in Active Duty

Colonel Franklin Rose, who tried for more than a year to negotiate a lease with the city for the operation of the old Army Airport in vain, has just been recalled to active service in the army. Returning to the service at his old rank, Rose has been placed in command of the 325 Reconnaissance Wing of the Army Air Forces Reserve at Hamilton Field.

The 325th Wing is under the supervision of the Fourth Air Force and is the first such combat type unit to be activated on the Pacific Coast. While still in the service at the close of World War II, Colonel Rose spent a considerable amount of time in Palm Springs attempting to lease the army air field. During his many trips to the Village he made a host of friends.

"Sez I"

By MARY WOLSETH

"I am pleased with the spirit of cooperation shown by the people of Cathedral City in their attitude when paying me for their sanitation service," sez Mr. Hart Kopp, Cathedral City Druggist, who is making the collections for the Sanitation Committee of the Chamber of Commerce. "I was afraid when I started this new procedure that people would grumble and make me unhappy with their complaints. Instead of that they are all pleased to have a central place to pay and most of them thank me for doing a public service. I am getting acquainted with people by their names and learning where they live and I really enjoy these contacts."

There is nothing truer in this funny old world than that the more we do for others, the more unselfish service we give, the more we get back in a feeling of satisfaction and in happiness. The grouches of a town are those who usually do nothing in the civic efforts. They criticize everything that is done and usually refuse to do anything they are invited to do. It pays to be a committee member and a booster.

Mr. and Mrs. Roscoe Shilkett are spending sometime with Mrs. Shilkett's son, Harold Crawford. Mr. Shilkett has been at Loma Linda hospital for the past week and will recuperate here. Mr. and Mrs. Loren Berick of San Bernardino were also guests of the Crawfords last week end.

A THOUSAND GENERATIONS of Acme Beer

In the early part of this century, Acme imported a famous pure culture of brewers' yeast from Europe. As each batch of beer produces a new generation, it is estimated that at least a thousand generations of Acme brewers' yeast have been descendants of this original "mother" yeast... another reason for Acme's tangy, refreshing flavor!

Students Win Cash Prizes at Big Air Circus

At the Palm Springs annual Desert Air Circus, students from Palm Springs and Baldwin park won \$150 in prize money.

Model planes were placed in two classes, "scale" and "flying scale." Each of these classes was judged on likeness to real planes and neatness of work.

In the flying scale, George D. Coney of Baldwin Park won a first prize of \$25, with an army B-25 bomber model. Johnny Tucher of Palm Springs won second prize of \$15 for a North-American navy model.

In the "scale" contest, Joey Flavin, also from Palm Springs won \$25 first prize with a navy V-Ryan Fireball.

GIRLS OF PALM SPRINGS HI TO ATTEND PLAY DAY

Saturday, April 19, members of the Girls' Athletic Association of P. S. H. S. are going to Coachella Valley Union high school to attend a scheduled play-day. On play-day various teams of girls compete in softball, basketball, volleyball, badminton, and numerous other sports.

Every year a play-day is given by some school and their guests are entitled to the freedom of the campus and grounds. They are given place cards with their names on and the sport they are to participate in. After a view of the campus the play-offs begin and at noon there is a luncheon and rest period. More activities are scheduled in the afternoon.

These occasions are sponsored by the G. A. A. Federation, but other girls interested in sports may attend, with the permission of their physical education teacher.

THE OLDEST COLLEGE SOCIETY

Phi Beta Kappa, a Greek letter college society, was founded in December, 1776, at William and Mary college, Williamsburg, Va. It is the oldest organization of this class in educational institutions in the United States. In 1941 the membership of this society numbered 86,000.

Politics Buzzing On Campus With Election Nearing

Politics and campaigns are the topic of conversation at P.S.H.S. as the close of the school year looms ahead. Students wishing to be elected to office have been getting their petitions signed by 20 per cent or more of the student body members. These students who are eligible will be nominated in a special nomination assembly to be held Friday, April 18.

New officers will be elected on April 24 and 25 and installed into office in May. They will then be prepared to carry on their responsibilities for the 47-48 school term.

OFFICES that will be filled are: Student Body President, Student Body Vice-President, Commissioners of Publicity (boy and girl), Commissioner of Finance, Commissioner of Athletics, Commissioner of Girls' Activities, and Commissioner of Boys' Activities. One of the Commissioners of Publicity shall be appointed Secretary.

There are two students running for the Office of Student Body President, who are: Kenneth Youngs and Betty Ann Lilley.

PALM SPRINGS TAKES EIGHTH IN RELAY

The second annual P. S. H. S. Relay meet proved very successful . . . to everyone except the host, Palm Springs.

Out of ten schools competing, P. S. landed third from bottom. Palm Springs' spirit was out on the grandstands. There were seven varsity boys from P. S. running (two or three vaulting, etc.). There were Ameson, Bender, W. Emery, Lopez, Roberts, Searles and Whitehead. These boys did a magnificent job, but after one hard race, they weren't able to put out enough to really reap in the points.

The B's were better represented. They had Simpson, Singlyn (two boys who should be in the state finals this year), Tuttle, Nelson, B. Emery, Stewart, Jones, and Reford. These boys did fair, but not well enough to pull in more points and a better place. Rapheal (B) high jumped and placed fourth. Barry Miller was vaulting and placed fifth.

All-in-all, Coach Thompson was not pleased. "It takes one kind of fellow to play football or basketball, but the athletes really show up in track season."

The United States is approximately 3000 miles from east to west, and 200 miles from north to south by rail.

Gazoozit

By LO LO VALLIER

"Beings as" Circus Week comes but once a year this is that rare time when we all perform like clowns and characters likened unto clowns. Indulging in various degrees of clownery were so many people that it would take me clear through 12 months on to next circus week to write all the details.

Friday night was one of the most eventful nights of the year and I'm sure everyone will remember it that way even when he or she is toothless, hairless, old and gray. The reason for so much insanity was, no doubt, because of the Insanities where many people went to view insane activities—and stuff.

THERE WAS a goodly gathering out in the sand dunes consisting of Candi and Dan (the boy with pipes coming out of the trunks in his car), Virginia and Chuck, Jo and Red, Jeanette and Johnny, Bonnie Lou and Jimmy, Dawn and Jackson, Henson and his accordion, Milton Knapp and more characters of renown or otherwise. Candi and Jo were more demanding of attention than anyone else. These girls now-a-days! They gave a little excitement to the eve but the big brawl of the night took place right at the Doll House of all places and oh that atmosphere!! In case you are not in the know, it was a party for the cast of the Insanities. But I'm sure you've all heard about what went on at the party. It's the talk of the town and rumors are flying. We never would have expected it of some, but into each life some rain must fall.

THE WHOLE DEAL lasted rather late, in fact there seems to be some question as to whether it has broken up yet or not. And who was there? Don Williams and Sally, Whitehead and Marlene, Searles and Diane, Phil Bordon, Jim Atkins, Ralph Woodward, Jay Holderman, Ed Wills and Jackie, Elanne and Griffith, Barbara Croft, Louis La France, Jones, Klug, Wino, Gen and Archer and all the rest of the cast. Everybody celebrated and that's no stuff. If you were there then you know so I shall dispense with the details.

On this same Friday night Dot Winterton gave a surprise party for her steady boy friend, Bill Holm. Gene Rupert, Dick Holm, Frank, Tex and several others.

SATURDAY there was the usual gang swimming at Palm Village. There was Jo and Red, Jeanette and Johnny, Jackson, Virginia and more to boot. The old theme song was once more the topic of conversation, only now we have a new addition—copper studs.

Saturday night Mable had a

party sponsored by the Jugs, a new campus organization of note. There on winged feet were Ralph and Adele, Jill and Barry, Chuck and Sandy, Jim and Nancy, Barbara and Don, Dixie and Jack, Knowler and Whitehead, Mable and Noel, Elanne and Norman, Mary Katherine and Earl, Don Williams, Walter Bender and Flavin. Jill supplied everyone with mellow melted cheese sandwiches and toast which seemed to keep everyone content if not quiet.

AFTER the party Barry got his car stuck in the sand but no one was surprised because this seems to be a regular occurrence for him. It took until 1:30 to dig a junior sized pit beneath the blonde chassis, Chevrolet that is! (courtesy of Jill). There by the light of one meager little match they used shovels, a jack, boards, a garbage can lid, buckets, water and plenty of good old arm power, but it was finally Ralph who came to the rescue.

Jo threw another huge old party at her place Saturday night. The remnants of what used to be a house the next morning were dead proof of the fun that was there the night before. Jo was with Red, Jeanette with Johnny, Slocum and Nick, Dora and Liane, Stinson and Ellsworth, Trudy and husband, Mr. and Mrs. Foster (Emigh and Bud to you), Ella Ruth Brown, Audrey Bolste and Galonos, Gillar, Joy and Jones, more natives and loads of out-of-town people. It seems that Audrey provided the chief entertainment for the evening, but then of course there were the usual pastimes and every-party occurrences. Surprisingly, however, Jo did not run away. If she did it was kept away from my ready ears as many things so often are.

REST NOT YET fair readers, for that is not all for Saturday night. There was an exclusive little group who retired to the wondrous seclusion of Magnesia Canyon in a little jeep capable of climbing large monoliths than is our old friend Colin Bragg (plug for Colin!). This party is last on the list but never, never the least so term it not as least on your list of parties, smarties. Besides a strictly mellowed atmosphere and fine music from a portable radio belonging to those who came prepared, there were some good old-fashioned hot dogs with all that goes with them. Oh, we relish that relish! And there to relish it all were Ed Ewart and Barbara Croft, Jim and Milly, Ellsworth and Stinson, Candi and Bob Bell, and more but we don't talk about that.

The Air Show Sunday was a great success. So say all the kiddies, and there were lots of them who seemed to be enjoying themselves a-plenty finding out what makes jets tick n' stuff. There was Candi, Bonnie Lou, K. K. and Coni, Jill and Bill (an old friend of hers who was piloting

Boys' Glee Club Lends Talent to 'Insanities' Cast

The Boys Glee club, under the direction of Mr. Alexander Hammond, participated in the "Ministrel Show" act of the Village Insanities. There were about 18 high school students in the cast.

Mr. and Mrs. Hammond were also in the show. Mrs. Hammond participated in two novelty acts, and Mr. Hammond in the minstrel show.

After the show many members of the audience were heard congratulating the students on their fine performance.

The following were seen scrubbing off black paint after the show: Jim Atkins, Jay Holderman, Barry Miller, Louis La France, Tom Griffith, Ed Stinson, Jack Pender, Bob Flavin, Don Whitehead, Ralph Woodward, Tom Archer, Bob Niggins, Don Williams, Richard Day, Jim Searls, and the girl who added much to the act with her dancing, Arlene Southworth.

his own P-38) the Flavin boys, Mary K. Mills, Nancy Ellert, Frank and Marlene, Charlotte McKnight and Nuddy Sales, Jack Pender, Dick Mosely, Stinson and Ellsworth, Ed and Croft, Jo and Red, Henson and still hundreds of other local yokles.

NOW HERE'S the weep paragraph and then I'll close this crazy column—Blackhart and Nancy have tossed to the winds each link of the mighty chain. In other words, they are steadies no more. But spill no salty tears. Such is life. Anyway Elanne and Norman have filled that blank and the immortal list shall forever exist. How dramatic!

Not only that but Dusty Roads has come to town and Beeton is on the trail.

See ya next week.

What Goes on in Palm Valley

By Don Cameron

From Palm Desert, Joe Kroll, project engineer, tells me that the lake has now been gunited and the water will be back in tomorrow. He also said that their new pool should be ready in five weeks and Edith Ward said to get the gang all ready to come down for a first dip. Cliff Henderson and Leonard Firestone, armed with their permits, are starting the guest cottages of the Palm Desert Lodge this coming week. Also the Robert C. Sturgeons of Long Beach are starting their rental units.

The Ron Buttons of Rancho Mirage had the Allen Fredholds for the weekend, Tuesday evening Bob and Georgia Zimmer had the Fredholds and the Curtis Micks at their home for cocktails then took them to the Tennis Club. The Zimmers beamed with pride when they told me about daughter Toni making her first cross country hop to Borrego Springs. George Charboneaux of the Indio Airport is teaching her to fly and he comes up from Indio and gives her the lessons at our local airport.

MEL O'REILLY is down from Los Angeles visiting his sister,

Claire Leahy, Frank and Alma Sahara are in their house on Sahara Road. Frank did a swell job as grand marshal in the parade too. Bob carried the National Colors for the Legion while Mary carried the Legion Auxiliary flag. Another Palm Valley rider was Dr. Galen Drury. He was in the V.F.W. outfit riding alongside Bill Rashall. Bill and Neva Munchoff made me feel bad when they told me of their last few days activities. They went with Ray and Juanita Burke on their boat from Balboa to Avalon just fishing and having fun. In case I have never mentioned it before—the only other city in the world besides Palm Springs for is Avalon.

That popular songstress Jeanne Keller can't keep away from the desert. This time she is entertaining at the Sans Souci in Indio. She holds plenty of property in these here parts.

AT DESERT AIRPARK, Gary Moore of the Durante-Moore show spent a few days, also Jimmy Udall of Hollywood buzzing around in a shiny new plane.

The Shea Construction Company has had its heavy equipment in Palm Dell this week. They are building black-top roads through the new four-acre park and making a new entrance and parking area in front of the office. The tract is just six weeks old and since the utilities are all in I'm anxious to see that first house get started. Four people all say that the honor is to be theirs; two of them are from Cathedral City, one from Banning and one from El Monte. I may fool them if they don't hurry and do it myself.

Don't let this early warm spell fool you. It has happened like this many times before then after that a cool May and always a wonderful June. This is the ideal time to start oleanders from cuttings. The only expense involved outside of your time is the watering. Just pick your favorite color from neighbor's place, cut plenty of branches about 18 inches long, then plant them in rows not closer than four feet apart along your property line or wherever you want them. Turn on the water and next fall you'll have some swell oleander bushes. Any questions? Phone me.

Letters to the Editor

THANK YOU, MISS WHITE:

Editor, Desert Sun: The great and generous gift of Miss Cornelia B. White to the Desert Museum is one of the most joyful and heart-warming things which has happened here in a long, long time!

For many months the board of directors of the Museum has been puzzled to know where to turn or how to manage in regard to acquiring even a temporary home—much less a permanent site, large enough and suitably situated to serve the needs of a rapidly growing membership and the thousands of visitors who constantly make use of its facilities. Now—at one stroke, we have an ideal building site in the heart of Palm Springs, "next door" to the Library wing where the Museum is at present housed.

MISS WHITE from her nearby home has had opportunity to observe the daily stream of visitors into the Museum . . . and on Saturdays the happy interested people packing into each other's cars outside the Museum door as field trips get under way. . . . We all have had ample opportunity to attend the many interesting movies and lectures presented without charge to the general public three times a week, and to hear Lloyd Mason Smith, our able director, talk over the local radio twice a week under the Desert Inn's sponsorship. At present, there are exhibits of interest to all ages in the Museum.

But what unlimited future possibilities are now opened up!

THOSE OF US who have known Miss White for some time, respect her and love her for her high principles, her sweetness of

Village Shriners to Discuss Plans for Children's Hospital

Local Shriners are invited to a luncheon to be held at Hotel Del Tahquitz, Monday noon, April 21, for the purpose of completing arrangements for the desert campaign to raise funds for a Shriners' Crippled Children's Hospital to be built in Los Angeles. Reservations should be telephoned direct to Ed Green, manager of Del Tahquitz.

Sixteen Shriners' Crippled Children's Hospitals are now operating in North America, 12 in the United States, 2 in Canada, 1 in Hawaii and 1 in Mexico City. These have all been established since 1922 and approximately \$40,000,000 has been invested in these projects. All of this has been donated. Average maintenance cost is over a million a year.

SINCE THEIR inception over 100,000 crippled children have been cured, helped or materially aided through these hospitals. There are only two requirements to get a child in a Shriners' Crippled Children's Hospital. The first is that the child must be under 15 years of age; and the second that its parents are not financially able to provide the treatment it requires. There is no distinction as to race, color or creed. All are treated equally.

At present there is only one such hospital in California. It is in San Francisco. Its facilities are sorely taxed and there is a long waiting list. It is now proposed to build one in Los Angeles to serve the Southern California area. A very desirable site has already been provided by Al Malaikah Temple, A.A.O.N.M.S., of Los Angeles.

A CAMPAIGN is starting to aid through these hospitals, raise \$1,500,000 with which to build and equip this hospital. Every cent contributed will go into the fund as all campaign and other expenses are underwritten by Al Malaikah Temple. Contributions are deductible from income tax. Checks should be made payable to "Crippled Children's Hospital Fund, and may be handed to any local Shriners. Names of the Committee members will be announced later. In the meantime further information may be secured from this paper.

After every war a downward readjustment in form prosperity has taken place, says a University of California agricultural economist.

nature, her kindness and her delightful sense of humor and fun. Always thinking of and adding to the happiness of others, she continues to run true to form!

This gift to the Museum is of course a gift to the people of Palm Springs and every desert community nearby, for which we thank her from the bottom of our hearts.

JOSEPHINE M. TRUE,
Cathedral City.

Business Women Hear Reports on Events of Circus

The Palm Springs Business Women's club held its regular breakfast meeting at the Desert Inn Coffee Shop Wednesday morning.

A report on the pop corn sales at the Desert Circus parade was given, the proceeds being donated to the Youth Center for a refrigerator. Prizes were given by Emma Jean Hume, president, to four high school boys and girls, who generously gave their time. Betty Timmerman won a beautiful album of records for the most sales. Charles Kraft and Mort Goldberg tied for second prize of a musical record each and Mary Jordan third prize.

Mrs. Hume was the recipient of a gavel given to her in appreciation of her loyal and sincere efforts in developing the Palm Springs Business Women's club this season. The gavel was donated by Mrs. Jennie Leonese.

The club wishes to express their thanks to all who so willingly cooperated during the circus events.

Although a number of coal mining communities owned and operated by the larger and more progressive companies seem to be as sanitary and healthful as our better incorporated cities, they are too few in number and stand out as exceptions to the rule.

Rear Adm. Joel T. Boone, director government's mining health survey.

There are many different policies that can be tried with Russia, but the one doomed from the outset is that of intimidation.

—J. Alvarez del Vayo, former Spanish republic foreign minister.

From where I sit... by Joe Marsh

**"As Homelike
As a Barn"**

Cy Hartman finally got his new barn painted, but plenty of folks had a hand in it. Whenever someone got a free day, or a little extra time, they'd come over and help out with paint and brush.

And Cy, to show his appreciation, held a big "barn warming" Saturday—for all the folks who'd helped him (but not barring those who couldn't). Ma Hartman supplied sandwiches, and Cy rolled out a mellow keg of beer.

You'd never think of a barn as "homelike." But with those lanterns

hanging from the rafters; make-shift tables spread heavy with food; and Ed Carey's fiddle playing while the folks enjoyed their beer—Cy's barn was sure a mighty hospitable-looking place!

From where I sit, it's just about as appropriate to have a barn warming as a housewarming. . . if only because it's another chance to get neighbors together in a spirit of good fellowship.

Joe Marsh

NOTICE OF SALE UNDER CHATTEL MORTGAGE AFTER DEFAULT

NOTICE IS HEREBY GIVEN THAT BANK OF AMERICA NATIONAL TRUST AND SAVINGS ASSOCIATION, the undersigned Mortgagee, will on the 19th day of April, 1947 at One (1:00) o'clock P. M., at the premises known as La Puente Cafe located at 1180 South Palm Canyon Drive, Palm Springs, California, in the City of Palm Springs, County of Riverside State of California, expose and offer for sale at public auction and sell to the highest bidder for cash the following described personal property, namely:

Super cold 3-hole Ice Cream Freezer, 1 1/2 H.P. Motor with Compressor; Vic Ref. Co. 8'x8' Walk-in Refrigerator Copeland Compressor, 1 1/2 H.P. Motor Compressor, Ser. No. 015742. Also P.A.R. Compressor, Ser. No. S 45453. General Electric Beach-in Ref. & Comb. S. No. 2375442. under and by virtue of the terms of said Chattel Mortgage therein dated and executed by EUGENE WENDELL BROWN and DOROTHEA M. BROWN, husband and wife, on April 30, 1946, as Mortgagees in favor of BANK OF AMERICA NATIONAL TRUST AND SAVINGS ASSOCIATION, as Mortgagee.

Default having been made in payment of the indebtedness therein described, and otherwise, and the Mortgagee deeming itself insecure and not safe in its security, has taken possession of said Personal Property in accordance with the provisions of said Chattel Mortgage, now intends to and will sell said Personal Property at said time and place.

Dated at Palm Springs, California, this 11th day of April, 1947.

Personalities

Maria Bekkefi Gest, teacher of the Ballet, who has her own school in Hollywood and studied at the Moscow Art Theatre before the war. Miss Gest recognized the dancing in the Village Insanities as faintly familiar and then realized that Ernie Flatt was one of her former pupils.

Arthur Kober, author and playwright, who is most famous for his stories concerning Bela and her family which have been running in the New Yorker magazine for many years. Mr. Kober has rented a home in Palm Springs until the end of the season.

Bucky Henshaw, of Honolulu, who was stationed on Wake Island on December 7, and spent the war years in a Japanese prison camp, has just returned from six

months of touring the Orient to testify in the War Trials. He is also a very fine musician, having written "Hula Breeze," and other tunes at the age of seventeen. He has just completed a book on his experiences in prison camp. Bucky is the houseguest of Mrs. Alice Guthrie on Via Miralesta.

Howard Hughes is incognito at the Racquet Club, having flown in to the Palm Springs Air Port in his Lockheed Lodestar.

Mr. and Mrs. Pat Nearney are staying at the Racquet Club. Mrs. Nearney is better known as Mona Freeman of the films.

Tony Douquette, one of America's foremost designers, is staying with Mr. and Mrs. John Gallois.

Mr. and Mrs. James Whitehorn left Wednesday for Los Angeles and the beach for a few days. They expect to be back here tomorrow.

Plans Speeded for Great Shrine Ceremonial to be Held in Village April 26; Parade to Precede Event

Culminating the efforts of local Shriners working with high officials of Al Malaikah Temple of Los Angeles over quite a period Palm Springs is to have the opportunity of playing host to Southern California Shriners on Saturday, April 26.

On that date Al Malaikah Temple will stage a ceremonial here in Palm Springs, Al Bahr Temple of San Diego will also participate.

THE UNIFORMED bodies of both temples will be here in full regalia for the parade. The parade will start at one o'clock p. m., at the Stevens school and proceed down Palm Canyon Drive to the Plaza. The ceremonial itself will be held later in the afternoon at the Field Club.

"The men who run the show" for Al Malaikah—Joe Brigrance, Ceremonial Director; Chas. A. Gault, Assistant Ceremonial Director; Louis J. Evans, Purveyor; T. W. Denby, Sound and Lighting; Henry Hollinger, Stage Director; Past Potentates Stearns Hendrickson of Al Malaikah and Harry M. Dort of Al Bahr have recently made several trips to the desert to make the necessary arrangements. The last of these was on Thursday, April 10 for a meeting with local Shriners at Del Tahquitz hotel.

THE FOLLOWING DAY, Lloyd Simon, A. G. Waller and Chet Hooper, journeyed to San Bernardino to represent Palm Springs at the joint pre-ceremonial dinner meeting held there by Old Baldy, Big Bear Valley, San Bernardino, Barstow, and Rubidoux Shrine Clubs. Fred Gonsulus, President of the Rubidoux Shrine Club of Riverside, presided and approximately 400 fez-topped Nobles enjoyed the evening together. Elmer Bromley, Potentate of Al Malaikah; Ernest Hurst, Recorder and several members of the Al Malaikah Divan were also present and conferred with our local delegation further regarding the forthcoming ceremonial.

Of the Palm Springs Committee Lloyd Simon is general chairman. Working with him as chairmen of the various committees are Chet Hooper, Publicity; Wm. P. Leoncio and Maurice Libott, Ceremonial Grounds; E. E. Woodward with Harry Harper, Secretary of the Chamber of Commerce, Hotel Reservations; Ed McCoubrey, Transportation; John Archibald and Gordon Feekeeping, Restaurants; A. G. Waller, Sound and Lighting; and John Williamson, Parade.

"DUSTY" RHOADS, Fire-Commissioner of Banning is chairman of the Banning Committee and Sam Tyson of Coachella, is chairman of the Coachella Valley Committee.

Al Malaikah Temple is now the largest temple in the United States. It has a dual purpose—the lighter side, the playground

IN APPRECIATION

Editor, The Desert Sun:—Dr. and Mrs. John Robertson Macartney wish to express their profound appreciation to the great number of friends who attended and made possible the reception which was tendered to them on last Tuesday evening.

We wish them and all in Palm Springs to know how greatly our lives have been enriched by the friendships which have been garnered through the past decade.

Sincerely,

Dr. and Mrs. John Robertson Macartney

Surprise Gifts for Local Lodge

At the institution of Palm Springs Lodge, U. D. F. & A. M., on April 2, Valley Forge Lodge No. 587, of Los Angeles presented it with a beautiful altar Bible suitably inscribed.

Another surprise gift was from John A. Garfield Lodge, also of Los Angeles, which presented appropriate specimens of Masonic craftsmanship.

During the evening entertainment was provided by Jules De Vorzon, well-known local violinist, who was assisted on the piano by Dan Maxwell, a member of a Glasgow, Scotland lodge. In appreciation of his renditions and in the lighter vein of the evening Jules was appointed "Grand Gut Scratcher" by Lloyd Wilson, Secretary of the Grand Lodge of California.

L. A. Couple Takes Over Local Court

Mr. and Mrs. Herman Waldman of Los Angeles, recently acquired the El Capital Court from the Lou Dubins.

Buyer and seller were represented by Wes Bliler, formerly with the Bank of America, now associated with Ernest Grill, Jr., local realtor.

Those flying out-of-town this week for their respective homes all over the continent are Ernie Alschuler returning to Chicago, Jerry Hoppes, returning to New Hope, Pennsylvania, Isabelle Woolford to Atlanta, Georgia, Julia F. Sealo to Jacksonville, Florida, Mr. and Mrs. Max Silver to Oakland.

The future before us is full of fear. If we remember that the past is made up of what were once anxious futures which challenged man, we too can face the future and even atomic energy. —Rev. Robert Killam of Springfield, Mass.

of Masonry; and the serious side—sponsorship of Shriners' Crippled Children's Hospitals—one of the greatest Charities in the country.

"STAY THROUGH MAY"

Horseman's Group Re-Elects Cree to President's Post

It was "Raymond Cree for President" all day Tuesday, when that pioneer resident (since 1906) was again elected President of the Palm Springs Horsemen's Association at their first Annual General Meeting held at the Desert Inn during luncheon. Although he made efforts to have "a man of less years and more energy" replace him at the head of this fine group of 99 horsemen, the newly appointed directors overruled his protests by a unanimous vote in his favor.

Only a few hours earlier, Ray had accepted the Presidency of the local real estate board for the ensuing year, so now all he has to prepare for more honors of this kind is to merely retire from business altogether.

OTHERS returned to office in the Horsemen's Association were Frank Bogert as vice-president and Carl Lykken as treasurer. Hilton McCabe replaces Anthony Burke, who retires as secretary, and Bill Alworth is replaced by Jim Maynard as head of the Trails Committee.

The four-day Spring ride will take place on May 29-30-31 and June 1. The route and camp sites will be laid out in the high valleys and trails among the pine trees and mountain streams. Plans for this "Palms to Pines" ride are in the hands of Barney Hinkle, Travis Rogers, Frank Bogert, Joseph Butler and Philip Delano. It is anticipated that about 75 members will take the ride.

THE NEW BOARD of Directors comprises William E. Alworth, Frank Bennett, Frank Bogert, Anthony Burke, Joe Butler, Earl Coffman, Earl Cordrey, Raymond

Cree, David F. Culver, Phil Delano, Harry C. Harper, Milton Hicks, Barney Hinkle, W. R. Hillery, Carl G. Lykken, J. F. McKenzie, Hutch, Moseley, Robert W. Peterson, Travis Rogers, Fred Watson and Roger Williams.

Christian Science Services Changed

Beginning Sunday, April 20, Christian Science Society of Palm Springs wishes to announce Sunday church services and Wednesday evening meetings will be resumed at the church building located at 271 Ocotillo Avenue.

St. Patrick's Cathedral in New York City is said to be the first and last major church structure in the United States to be built entirely by hand.

Weber's BREAD-TIME STORIES

COOKING HINT

WHEN MAKING soup or broth, fry an onion in olive oil until dark then add to your soup stock. This method is used by well-known chefs all over the world and is well worth remembering.

HOUSEHOLD HINT

CLEAN YOUR cleaning solvent this simple way. Lay three thicknesses of paper towels across a large wire strainer. This will filter the dirt from the fluid and it can then be stored for future use.

RECIPE

MEXICAN ZUCCHINI

1 1/2 lb. small zucchini 1/2 c. grated cheese
2 tablespoons salad oil 1 onion, minced
2 tablespoons margarine
2 egg yolks and whites, beaten separately
3 tomatoes, peeled and chopped
salt and pepper to taste

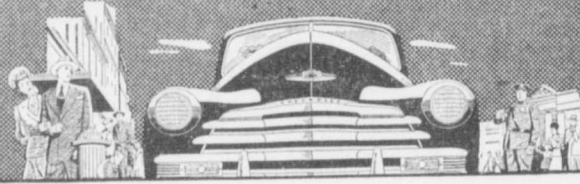

Cook zucchini until tender, drain and chop. Brown onion, add tomatoes, zucchini, seasoning and cheese. Add egg whites to beaten yolks and pour over mixture. Bake in casserole twenty-five minutes.

HELP!...

YES, 60 PAGES crammed with helpful hints for harried housewives, FREE for the asking. It's Weber's "GOOD IDEAS" book. Just send your name and address to Weber Baking Co., Dept. 1, Box 1730, Wilshire-LaBrea Station, Los Angeles 36, California.
